Discover Polished Concrete...

A leading global manufacturer did. With a new production line to ramp up, failing urethane coatings to replace, and no time to lose, Total Polish Solutions responded quickly to provide our client polished concrete without impacting plant operations. TPS delivered a dry, dust and VOC free long-term flooring solution that will not fade, chip, or peel. What can Total Polish Solutions do for you?

Customer Focused

Process Oriented

Technology Driven

Project Profile

Project: Industrial
Type: Restoration with Coatings Removal
Concrete: Circa 1970
Product: Polished Concrete
Results: Lowered Cost 50%, Increased Reflectivity 900%, Improved Safety 42%

Please note due to the natural materials involved, every slab of concrete will have unique characteristics, finish, and appearance.
