Discover Polished Concrete...

An international airport did.

Faced with intricate specifications for a new lobby floor that had to match the existing terrazzo, Total Polish Solutions delivered! By combining integral color, specialized marble aggregate, and a dry and dust free process TPS created a highly reflective finish. Over 2 million passengers later it still looks as good as on day one. Can you imagine your floors looking great years later?

Customer Focused

Process Oriented

Technology Driven

Project Profile

Project: Design, Commercial
Type: New Construction
Concrete: Custom Mix Design
Product: Polished Concrete w/Exposed Aggregate
